Strengthening Its Status as the Leader in Florida Home Care, Hummingbird Care Services Garners 2 More Awards

Treasure Coast, FL — Hummingbird Care Services, headquartered in Vero Beach and serving families throughout the Treasure Coast and surrounding communities, celebrates two additional honors: the **WFLX FOX 29 Viewers Choice Award for Best Home Health Agency in West Palm Beach**, and the **Guide to Florida Award for Best Home Healthcare Provider**.

The **WFLX FOX 29 Viewers Choice Awards** recognize local businesses selected by viewers throughout the Palm Beaches and Treasure Coast. WFLX announced on August 27 that thousands of viewers participated in the 2026 voting, highlighting businesses that have earned the support of the communities they serve. The recognition is particularly meaningful, as it comes directly from the people who live and work in the communities where the agency provides care. We are incredibly honored to be recognized by the people in these communities," said Colby Bechtold, RN, BSN, CDP, Founder and CEO of Hummingbird Care Services. "Every day, our caregivers have the privilege of entering someone's home and becoming part of the family's care journey. To have that commitment recognized by local viewers is truly special."

Additionally, this leading-edge service company is now recognized by the **Guide to Florida** as the **Best Home Healthcare Provider**, adding yet another distinction to the agency's growing reputation for quality home care in the state. Hummingbird Care Services provides the best in-home care, including personal assistance, companion care, respite care, and memory support, with 24-hour care, no minimums, and veteran services complementing its full range of quality services. Exclusive, specialized programs designed to enhance safety at home include the SafetyNet Program, which reduces hospitalizations by up to 40%. "Our philosophy and culture have always been simple: to care for each person with dignity, compassion, and respect," Bechtold added. "These awards are a recognition of our caregivers, our clients and their families, and the trust placed in us."

As Hummingbird Care Services continues a period of growth and community recognition, local and regional media, as well as the business, professional, and medical industries, have featured the agency's innovative approach to raising the bar for quality senior care.
